Re: *Ricky Dudley v. Christian W.E. Haub, et al.*,
Case No.: 11-5196 (WJM-MF)

Dear Judge Martini:

I write on behalf of the lead plaintiffs seeing an extension of the time for response to the defendants' pending motions to dismiss. Presently, the opposition is due to be filed on or before August 22, 2012; we seek an extension to September 21, 2012 to file the opposition. The defendants have advised us they do not oppose an extension until September 12, but will not extend that courtesy through the 21st.

The extension is necessary because of the volume of material to which we are responding: two briefs totaling 115 pages and an additional 68 pages of "appendices" purporting to analyze the amended complaint--the functional equivalent of more than 180 pages of briefing--together with more than 600 pages of additional material.

We thank Your Honor in advance for considering this request.

Respectfully submitted,

/s/ Peter S. Pearlman
